## BOOK DESCRIPTION

*A Divine Communication from Heaven, Earth, and Hell* is an experience that began in February 2018 that continues until this day. I received my commission starting with a visitation from the Lord during my sophomore year in college. After receiving the Lord's call into ministry and being trained for 24 years, during various ministry pursuits, the Lord began speaking to me and commissioned me to empower people to maximize their heavenly rewards. During my 36 years of relationship with the Lord, I continuously asked Him the truth about Heaven, Earth, and Hell. I am humbled to have been shown what the Lord has approved me to see and hear. In this book, I share that I have visited Heaven many times seeing and being taught about our future home, including speaking with people and building relationships with those who are there. I have also visited Hell several times, speaking to people who are there, speaking with Global demons and Satan, himself.

My description of these visitations is that they are training and preparation for the greatest move of God in human history. These visitations are for my training and preparation and to share with others, so they can be trained and prepared to have similar experiences. It is the Lord's desire for you to share in these experiences and grow in your knowledge of Him and what He has for you.

It is interesting that we know so much about this age but very little about than the ages that are coming. The ages that are coming are longer than this present age. We teach and preach more about Satan and Hell than about God and His Kingdom. This is the result of our lack of spiritual growth, which really is the central theme of the Bible. The Father's desire is to have eternal relationship with us in His Kingdom. I have been shown that Heaven is not just a planet. However, the planet is beyond human description in beauty. It is a realm. There are many planets, solar systems and universes in the Heavenly Realm. The Heavenly Realm includes everything that is a part of the creation of God.

During these training and preparation experiences, the Lord asked me "What does an All-Powerful, All-Knowing, All-Wise Creator that has lived forever do"? I answered that "I don't have any idea". His response, "create". He said that He has been creating long before He created mankind on earth. I was shown that He also continues to create and will continue to create. He is a creator by nature. It is who He is. The Creator who lives forever didn't just start living before He created man on earth.

Our lack of understanding about Him has made us vulnerable to deception. My people are destroyed for lack of knowledge (Hosea 4:6). The earth is the Lord's and fullness thereof, the world and they that dwell therein (Psalm 24:1). Eternal Life is knowing Him and the Son (John 17:3). Relationship, relationship, relationship...

During this time in the Lord's prophetic timeclock (season), He wants to take us behind the veil and show us what He has prepared for us.

## I CORINTHIANS 2:9-12

*<sup>9</sup> But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. <sup>10</sup> But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God. <sup>11</sup> For what man knoweth the things of a man, save the spirit of man which is in him? Even so the things of God knoweth no man, but the Spirit of God. <sup>12</sup> Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God.*

AUTHORIZED KING JAMES VERSION

There is so much more to God than what we know. You would be surprised by some of the people in Heaven and Hell. The purpose of knowing and experiencing Heaven is to motivate us to go there. The purpose of knowing about Hell is to motivate us not to go there. They are both very different than many things that we have been taught. Learn more through this book and communication from God. I share topics that the Lord has instructed me to share. This will be the first of a trilogy of books on this topic.
